**16+1 COOPERATION BETWEEN
CHINA AND CENTRAL AND
EASTERN EUROPEAN COUNTRIES
NATIONAL COORDINATORS**

Esteemed National Coordinators,

We are very delighted to inform you that Croatia was chosen as the host country for the next Meeting of Heads of Governments of 16+1 countries.

Apart from the multilateral political meetings that will be organized by the Croatian Government, during the Croatia Summit, a business forum for entrepreneurs from China and all 16 Central and Eastern European countries (CEEC), will be organized by the Croatian Chamber of Economy.

Croatia fully supports the further expansion of cooperation with China and 16 CEEC within the 16+1 platform and therefore a lot of effort has been put to organize a high-level quality business forum. The forum will consist of plenary part, followed by several panels that include topics of *Infrastructure and investments, Production and innovations, Commerce and Tourism and Culture* and in the end the B2B individual meetings of companies.

The Summit will take place in Dubrovnik, 11-13 April 2019, and the business forum will be held on 12 April 2019. Specifics of the precise time and event location is still an ongoing discussion with the Chinese side, and we will inform you of the details as soon as they are set.

For easier and more successful distribution of additional information about the Summit, we kindly ask that you forward this letter to the institution in your country, which is in charge of informing the public about the Summit, so they can contact us directly for further communication.

Contact information: Croatian Chamber of Economy, International Affairs and EU Sector (phone: +385 1 4828 382; e-mail: eo@hgk.hr).

We look forward to welcoming You and entrepreneurs from your country in Croatia this April!
